CLASS OF 1935

In the fall of 1931, a group of determined "Freshmen" began their career at A. C. H. S. When they had had ample time to become well acquainted they held their first class meeting and elected officers. These were: President, Kenneth Baugher; Vice President, Marshall Grant; Student Council Member, John Miller; Secretary, Irene Dirks; Treasurer, Brian Grant; Reporter, Eugenia Primm.

At the beginning of their Sophomore year the class had lost six of their members, but during the year two new members were added to the roll, Emma Cordell and Charlene Kennedy. At the first meeting new leaders were elected: President, Marshall Grant; Vice President, John Miller; Secretary, Mary Wilkins; Treasurer, Anna Engel; Student Council, Kenneth Baugher; Reporter, Albert Ruggles.

During the third year the class has achieved still greater honor under the guidance of their new officers: President, Irene Dirks; Vice-President, Eugenia Primm; Secretary, Dorothy Webb; Treasurer, Brian Grant; Student Council, Lillis Hall; Reporter, John Miller.

This year the class has continued the good work and its members are well represented in literary programs, glee club, orchestra, and athletic events of the season.

The first Junior play, "The Hoodoo", was given April 13, with great success and from its financial aid the Juniors entertained the Senior class at the annual Junior-Senior banquet, May 19.

During the year, they lost three members, Thelma Lawson, Ernest Chandler and Paul Rath.

Members of the class have displayed themselves well in orchestra, basketball, baseball and track.

They hope the coming year will be even more successful.

Agnes Showalter entered school at the beginning of the second semester.

After everyone had become acquainted the freshmen then elected their officers: President, William Zschoche; Vice President, June Van Meter; Secretary, Lawrence Markey; Treasurer, William McLavish; Student Council Member, Ralph Primm; Newspaper Reporter, Thomas Wood.

BASKETBALL

Under the tutelage of Coach Sorrells, the Green Warriors played one of the hardest schedules in many years, to come out victorious in two tournaments and the Little Six conference. On the regular schedule were five schools who were district winners of last year and who were semi-finalists in the sectional tournaments this year. Including the tournament games, the Athenians won seventeen games and lost eleven. In the regularly scheduled games for the season, eight games were won and ten were lost. Kilbourne defeated Athens in the upset of the Petersburg District Tournament, 16 to 14 in our first game.

BASEBALL

With a strong nucleus from last year's squad the baseball team of 1933-34 turned in the finest regular season record in the history of A. C. H. S. Playing at Ashland in wind and sleet the boys lost their last game 8 to 7, the only defeat of the season. In spring games the team lost three and won one. Mason and Agee are the only players to be lost by graduation.

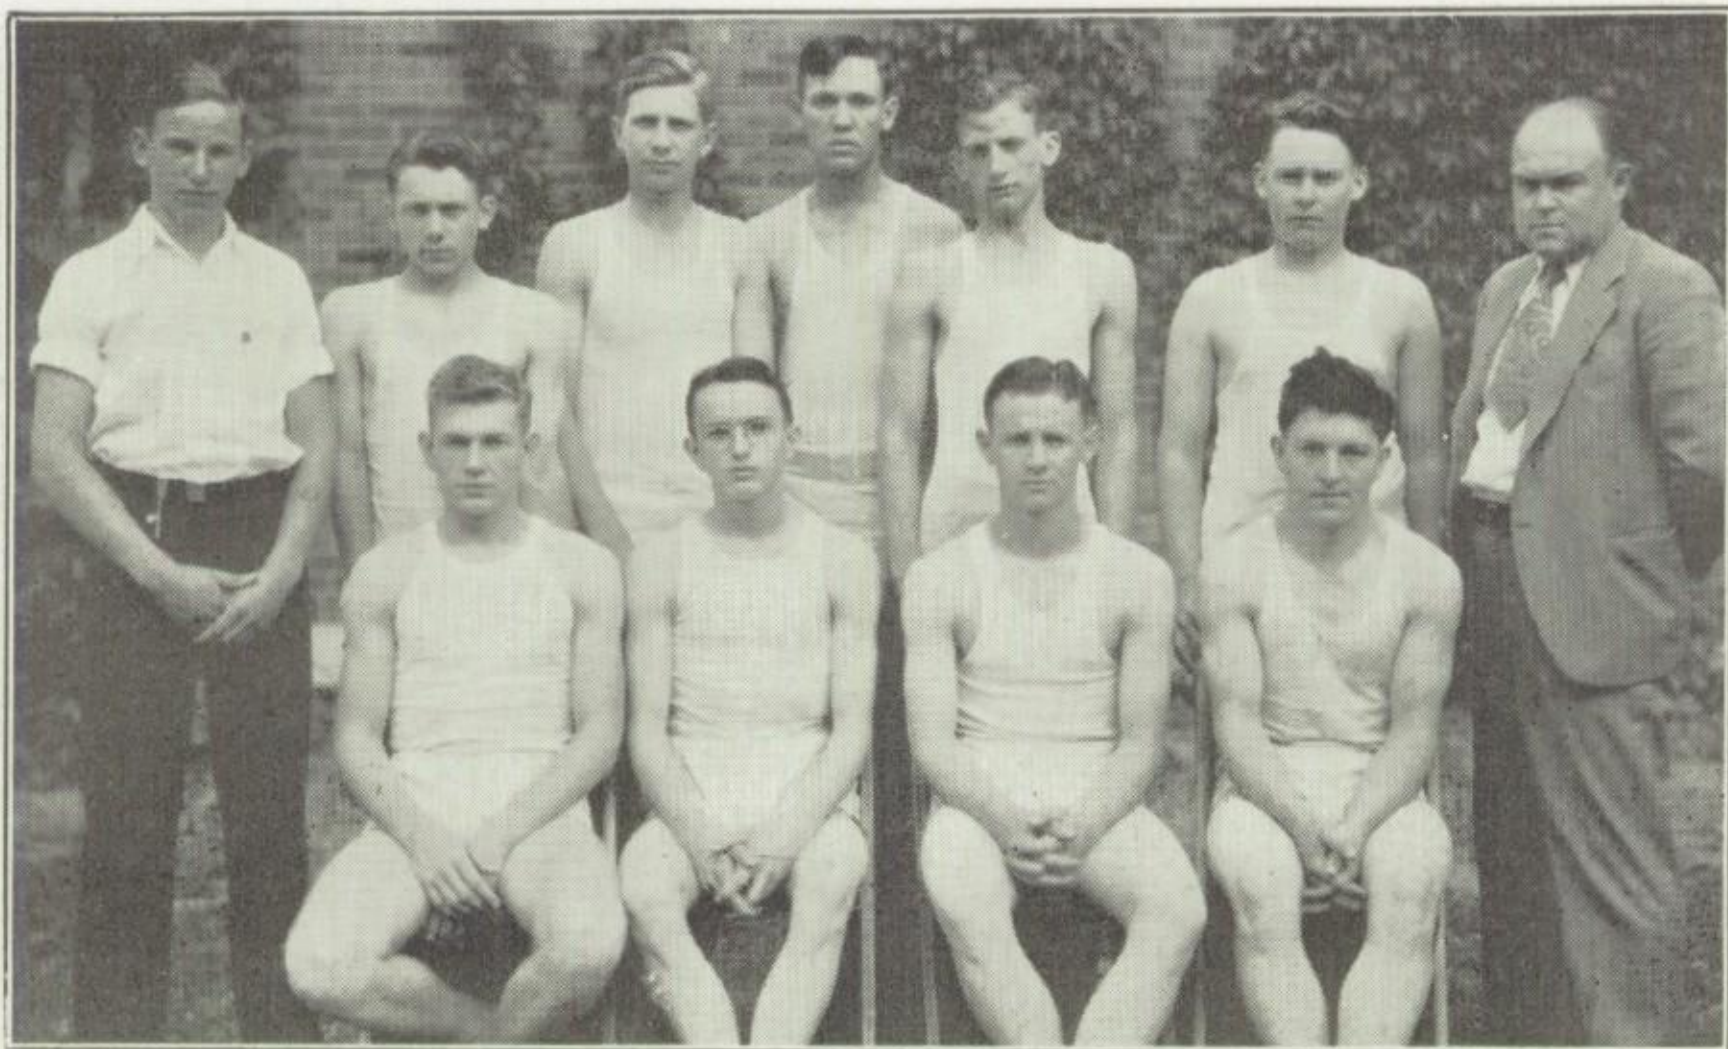

The line-up usually included Mason pitching, Richter catching, Pautsch at first base, M. Grant on second, Markey on third, Baugher at shortstop, Agee in left field, G. Pierceall in center field and Rogers in right field. Van Meter, Zschoche, A. Pierceall, and M. Pierceall were valuable replacements. In the spring line-up Markey was shifted to second, G. Pierceall to third with Zschoche, M. Pierceall, Rogers and A. Pierceall alternating in the field. This lineup allowed M. Grant and Baugher to alternate at pitching and shortstop. Jones did creditable work until dropping out of school last fall. E. Grant acted as manager.

TRACK TEAM

The track team enjoyed a successful season this year with about fifteen boys taking part. A dual meet held with Greenview was won by Athens and also a triangular meet with Greenview and Petersburg showed Athens the victors. The team, also took part in the Springfield invitational meet and the district meet at Jacksonville, with the possibility of another invitational meet as we go to press.

At the Springfield invitational, Athens placed well, being among the first six of about thirty schools in their division. At this meet Agee won first place in the 100 yard dash, Johnson second in the 440 yard dash, and Grant placed fourth in the shot put.

At the district meet Athens again made a good showing. Here Agee placed in the 100 yard dash and Kenyon placed third in the 120 yard high hurdles.

GIRLS ATHLETIC ASSOCIATION

Interest in G. A. A. activities has been unusually keen this year. The organization under the supervision of Miss Spelbring has been very active throughout fall and spring.

At the beginning of the year the following officers were elected: President, Wilda Hayden; Vice President, Eleanor Stone; Secretary, Irene Dirks; Treasurer, Audryn Cline; Student Council Member, Aldena Yoakum; Newspaper reporter, Marion McKean.

In the fall baseball, basketball, volley-ball, clogging and natural dancing were taken up.

Girls chosen as attendants to the Queen at the last home game this year were girls from the different gym classes. The Queen is also a member of the G. A. A.

An outstanding event of the year was a Girl's Basketball Tournament. The teams taking part were as follows: Racing Demons, Thunderbolts, Ramblers, Lucky Six, Shamrocks, Hornets.

Much excitement was aroused by this tournament and we feel that in a few years girls basketball will be as popular as that of the boys.

Our G. A. A. has received two invitations to Play Days this year. One was to Feitshans High, but because of several things were unable to attend, and the other to Greenview.

PEP SQUAD

A pep squad was formed this last year to stimulate interest in the team. The Pep Squad was under the leadership of Mary O'Neal, song leader, and Dortha Greer and Delbert Primm, Pep leaders.

The girls in the squad numbered 33 and these girls were distinguished from the rest of the crowd by their purple and green pep jackets.

The squad presented a stunt before the audience during the Athens-Greenvew tournament.

This squad financed their way to the District tournament by selling pop-corn at the last home game.

The senior girls contributed a lot to make this squad the success that it was and they will be sadly missed when we organize next fall.

GLEE CLUB

This year the glee club was not an organized society but a group of girls who wanted to sing and were interested in glee club work met twice a week for practice.

This group, led by Miss Gilmore and accompanied by Marjorie Van Wormer, sang several times in the community.

Twelve girls were selected from the class to represent A. C. H. S. in the Sub-district contest held at Athens and placed first in their division. Those girls who took part in the contest were: Eleanor Kincaid, Eugenia Baugher, Helen Killion, Hazel Cantrall, Irene Dirks, Eleanor Stone, Lillis Hall, Anna Engel, Josephine Barnes, Mary O'Neal, Evelyn Smith and Eugenia Primm.

INSTRUMENTAL MUSIC

In continuation of the orchestra work started last year, some instruments were added to those already owned by the school. The most important of these was the purchase of a Conn sousaphone, a very fine quality band instrument which will serve the needs of the high school in band and orchestra work for several years.

The interest in this type work is evidently greater than last year, as the orchestra has been called upon for more programs and entertainments than in previous years.

This interest should be encouraged by making available, more time and more instruments; also provision made for special instruction. This must be done in order that A. C. H. S. may keep pace with the progress of other high schools where this type of work is considered a major project.

The members of the high school orchestra express their sincere appreciation of the splendid cooperation shown by the people of the community who have practiced with them and in other ways helped to make the A. C. H. S. orchestra a success.

Back row: Dirks, VanWormer, Estil, Holler, Mitts, Walsh, C. Agee, H. Agee, Kenyon, Greer, H. Metz, Cordell.

Middle row: Miss Raisty, E. Primm, Ackerman, Parrish, D. Wilcoxon, Hughes, Briggs, Barnes, Kincaid, B. Allen, Sanderfield, Webb, E. Stone, Eddy, Cantrall, Stewart, Doom, Wilkins, M. McKean.

Lower Row: Turner, O'Neal, E. Smith, Doggett, Yoakum, V. Lawson, E. Baugher, A. Engel, E. Boylan, L. Cline.

ALPHA KAPPA

Alpha Kappa (the Greek names for the initials of Athenian Commercialites when written in shorthand) was organized at the occasion of a banquet on January 27, 1932, under the leadership of Miss Raisty, commercial instructor.

The main purpose of the organization is to promote interest among commercial pupils and alumni. Meetings are held as regularly as possible once each month, and each meeting is divided into three divisions: business, instructional and social. The symbols of the organization are "Stars of Attainment", foremost of which are skill and accuracy.

From the beginning, very efficient officers have made the club a worthy one, for each successive year Alpha Kappa has advanced in accomplishment and in the interest of its members. The officers of 1933-34 are: President, Eugenia Baugher; Vice President, Dorothy Webb; Secretary, Dorothy Wilcoxon; Treasurer, Marjorie Parrish; Reporter, Anna Engel.

Back row: Council, H. Smith, L. Beaver, D. Primm, Terry, Lott, D. Beaver, Hill, Rodell, Cronister.

FUTURE FARMERS OF AMERICA

In September 1929 the boys enrolled in agricultural classes and organized the Athens Chapter of the Future Farmers of America, a national organization which is divided into state and local chapters.

Each fall the F. F. A. boys elect officers for the entire year. The officers for 1933-34 were: President, Marshall Grant; Vice President, George Johnson; Secretary, Delbert Primm; Treasurer, George Richter; Reporter, Edwin Grant; Student Council Member, Joe E. Spragg.

Besides holding regular meetings, initiating new members, the F. F. A. boys cooperate to make the annual "Ag Fair" one of the outstanding events of the school year.

Back row, standing: H. Cantrall, Culver, Showalter, Trainor, Hughes, E. Smith, O'Neal D. Walsh, Beccue, M. Stone, Brittin, Greer, Golladay.

Middle row, standing: Miss Gilmore, E. Baugher, D. Landreth, Ahrenkiel, M. Johnson, Shinnebarger, A. Cline, Webb, Killion, E. Stone, Tobias, Barr, E. Metz, Eddy, Holsheiser, G. Cline, Parrish, Fredericks.

THE ATHENIAN HOME-MAKERS CLUB

In 1933, under the leadership of Miss Gilmore, all the girls who had at some time in their high school career taken home economics, organized for a year in club work.

Last September the club met and elected the following officers: President, Marjorie Van Wormer; Vice President, Mildred Jensen; Student Council Member, Eleanor Stone; Newspaper Reporter, Wilda Haydon; Secretary and Treasurer, Zelma Hughes.

All girls taking home economics this year, or who have taken it heretofore, were eligible for membership. The club was affiliated with the American Home Economics Association this year.

On Friday before Christmas the club gave a Christmas party for the needy pre-school children. The county nurse attended one of our meetings and gave a talk on "Diseases and Their Preventives". Two boy scouts from Petersburg gave a demonstration on first aid.

The meetings for the year included a monthly social gathering, with one class period every two weeks devoted to club work. The programs dealt with the development of personality, leadership, self-reliance, initiative, social poise, and professional interest.

Standing: Mr. Britton, Landreth, Joachim, M. Hall, Mason, Henderson, Primm.
Seated: Dirks, Kincaid, Yoakum, Barnes, Stone, Wilkins, L. Hall.

ATHENIAN SUN

The school newspaper was born of economic necessity in the fall of 1931 when the senior class adopted it as its official publication instead of the annual. A pictorial supplement in the final issue was dedicated as the Senior edition. It contained the usual views of school life and of the various organizations. The paper, called the Athenian Sun, was continued by the class of 1933, who initiated the idea of a senior pamphlet instead of a final pictorial supplement to the paper. In the fall of 1934 the seniors adopted a resolution whereby it was recommended that the Athenian Sun become the official monthly news organ of A. C. H. S. and that it be sponsored as a separate activity under the direct control of the Student Council and edited by a staff from the school at large. The resolution was adopted by the Student Council, approved by the student body and during this year the Sun has taken on a decidedly greater appeal to the students, alumni, and school patrons. It has generally been considered that the change was a valuable one. A circulation of three hundred copies is maintained.

The staff, elected by the school at large, consisted this year of the following:

Editor-in-Chief	Josephine Barnes, '34
Assistant Editor	Irene Dirks, '35
Business Manager	Morris Hall, '34
Circulation Manager	Mary Wilkins, '35
Advertising Managers.....	Billy Mason, '34, Charles Henderson, '34
Council Representative	Ralph Primm, '37
Exchange Editor	Lillis Hall '35
Sports Editor	Roy Landreth, '36
Alumni Editor	Eleanor Kincaid '34
Joke Editors	Aldena Yoakum, '34, Waldo Joachim, '36
Society Editor	Eleanor Stone, '34
Faculty Sponsor	Ernest R. Britton

Standing: Spragg, Mr. Britton, Joachim

Seated: Baugher, Mason, Yoakum, Kenyon, Stone, Primm, Hall.

STUDENT COUNCIL

The Student Council is the student administrative head of all student activities occurring in A. C. H. S. Its work includes the management of school elections, preparing the school calendar, supervision of extra-curricular activities, auditing and approving extra-curricular accounts, nominating the editor-in-chief, and the business, advertising and circulation managers of the Athenian Sun, authorizing point awards for extra-curricular activity of students, and appointing committees for special purposes as occasion may arise. No organization of students may be formed except under approval of the Council and the right is reserved to ask any existing organization to show reason why it should not be dissolved by the Council. In the general administration of the school the Council is frequently consulted and serves as an able assistant to the principal and faculty upon many occasions.

The Council is made up of nine members as follows: President, Richard Kenyon; Class of '34 and Secretary, Eugenia Baugher; Class of '35, Lillis Hall; Class of '36, Waldo Joachim; Class of '37, Ralph Primm; F. F. A., Joe Spragg, '36; Home Economics, Eleanor Stone, '34; G. A. A., Aldena Yoakum, '34; Boys' Athletic Association, Billy Mason, '34. The president is elected by the student body at large.

SENIOR DIRECTORY

The editors in cooperation with a committee of the Alumni have attempted to compile a complete directory of the graduates of Athens Community High School since the first year school was held in the present building. Every effort has been exerted to include for each graduate items of information relating to address and employment. Lady graduates are listed alphabetically by maiden names and in cases of marriage the matrimonial name is given. Omissions, if found, have been made inadvertently. It is hoped that when omissions are discovered they will be reported to the high school office immediately so that an accurate up to date record may be kept.
